Mr. Pierre Salinger  
Press Assistant to Senator Kennedy  
Room 362, Senate Office Building  
Washington 25, D. C.

Dear Mr. Salinger:

Pursuant to your conversation with Mr. Allen Dulles, he has asked me to forward to you the attached special memorandum covering world comment on the Republican and Democratic national tickets. I believe Mr. Dulles explained to you the origin of this document and the fact that it is not generally known that this Agency is engaged in monitoring activities -- although the contents are completely unclassified. As he indicated to you, we do not attempt to edit these broadcasts but, rather, report them as received.

Copies have also been furnished to Vice President Nixon and Senator Lyndon Johnson.

Sincerely,

*[Signature]*

J. S. Earman  
Executive Officer
